PRESS RELEASE

Bratislava, 27 October 2008

Vassilis Economopoulos Elected as a New President
of the European Council of Civil Engineers (ECCE)

General Assembly of the European Council of Civil Engineers (ECCE) elected Vassilis Economopoulos, ECCE National Delegate of the Association of Civil Engineers of Greece (ACEG), as its new President at the ECCE Executive Board Elections that took place on October 18th, 2008, at the 46th ECCE General Assembly Meeting in Larnaca in Cyprus.

Vassilis Economopoulos is a Civil Engineer graduated from the National Technical University of Athens (NTUA), acting as individual professional by the license from the Technical Chamber of Greece (TCG). He is also a graduate of Law and Public Administration Department of the National University of Athens.

Vassilis Economopoulos has been an independent consultant in transport and water engineering sector. He was also a board member of the Athens Metro Operation Company and has participated in the Administrative Boards of Public Enterprises in construction and design sector. He was also a board member of the European Public Transport Association (EPTA) and the Vice President of the European Association of Civil Engineers of Greece (ACEG) and the Vice President of the Transport Economics Committee of the Technical Chamber of Greece (TCG). He was also elected as a Chairman of the General Assembly of the Transport Economics Committee of the Technical Chamber of Greece (TCG) and a member of its Policy Board.

Vassilis Economopoulos has been actively involved in ECCE's work for more than 15 years and has been a Member and Vice President / Honorary Treasurer of the ECCE Executive Board since 1993.

His Family

Promotion of Engineering

An enthusiastic and dedicated worker towards the highest professional standards of the engineering profession and its efficient commitment to society, he has seeded with his contribution his legacy, not only in Greece but throughout the world.

He has been a teacher, mentor, professor, colleague but mostly a friend, impacting and making a difference wherever initiative in which he became involved.

You Will Always Be In Our Hearts

May He Rest In Peace
